Concept Worksheet

Project Title: _____

Group Members: _____

Premise: In one or two sentences, describe the concept of your movie. For example: "A man goes to the grocery store, only to find himself in the middle of a robbery."

Dilemma: Briefly describe the difficulty that your character faces. For example: "The man (conveniently enough) has a Beretta in his pocket, but the robbers have bazookas. Outgunned and outnumbered, he must somehow save the grocery store."

Resolution: How is the dilemma resolved? For example: "The man bluffs and fools the robbers into thinking that he has backup waiting outside the store. They flee into the waiting handcuffs of the police, and the grocery store is safe."
